# A Ransom Plea- Technical Rider

## General Information

### **Sound:**

A Ransom Plea will not be bringing any audio equipment to the event. We will require a qualified audio technician to run the sound unless otherwise specified.

Please have all sound equipment including the sound system and accessories (sound boards, microphones, speakers, cables, etc.) We provide own backline gear. A Ransom Plea will arrive no later than 2 hours before show. Please provide an 8' x 8' drum riser if available.

## Technical Information

### **Monitors:**

A band member will assist the house engineer and take the band through monitor checks after a line check has been done on all channels if need be. This is the quickest and most efficient way for us to do monitors. 4 to 6 separate AUX sends are preferred:

**AUX 2: Spencer Purdy (BGVs / Lead Vocal / Lead Electric / Chase Electric / Click)**
